A SURE RECIPE

Positive relief and immunity from complexional blem-ishes may be found in Hagan's

Magnolia Balm. A delicate and harmless article. Sold by druggists everywhere. It imparts the most brilliant and life-like tints, and the closest scrutiny cannot detect its use. All unsightly Discolorations, Eruptions, Ring Marks under the eyes, Sallowness, Redness, Roughness, and the flush of fatigue and excitement are at once

dispelled by the Magnolia Balm. It is the one incomparable Cosmetic.

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, overwork, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and making the blood pure and rich.

> Wm. P. Marshall, of Logansport, Indiana, writes: "My wife has for many years been troubled from pain in her back and general debility incident to her sex. She has taken one bottle of Brown's Iron Ditters, and I can truthfully say that she has been so much benefited that she pronounces it the only remedy of many medicines she has tried."

Leading physicians and clergymen use and recommend Brown's Iron Bit-TERS. It has cured others suffering as you are and it will cure you.

DOMESTIC NEWS.

The Election in Ohio. COLUMBUS, October 10th.—The Democra's claim that Hoadly is elected by 9,001, and the Legislature. They claim that Hoadly is running ahead at Cincinnati, and will have 4,000 majority in the county. The Republican Committee thinks Hoadly's majority will be 3,000 to 4,000, and that Rose will be elected. Governor Foster thinks Hoadly's chances best, but does not abandon the hope of either Governor or the Legislature.

CLEYELAND, October 10th.—The returns come in

CLEVELAND, October 10th .- The returns come

CLEVELAND, October 10th.—The returns come in slowly. At 10 o'clock this morning, with two wards to hear from, the indications are that Hoadly carries the county by a small majority, Rose, Republicae candidate for Lieutenant-Governor, by about 2,000, and Whitbeck, Republican County Treasurer, by 1,000 to 1,500. It is probable one Democratic and one Republican Senator are elected, and four Democratic and two Republican Representatives. The remainder of the Democratic ticket is probably elected except, perhaps, the County Anditor. Complete returns may change this somewhat. The result is a surprise to both parties. The second amendment vote is not fully counted. Clermont county gives a Democratic Representative. Locke, Republican, for Representative, is defeated.

MOOREHKAD (Minn.), October 10th.—A terrible and fatal accident occurred last night at a farm near Northruff, eight miles east of Moorehead, in which four men were killed outright, and ten more narrowly escaped with their lives. The fourteen men were members of a thrashing crew, who had been thrashing for Northruff the day previous, and were sleeping in the lower story of a granary, in the upper story of which were stored fourteen hundred bushels of oats. During the night, while all were fast asleep, the floor suddealy gave way and completely buried eight, who were sleeping at the other end of the building where the floor suddenly gave way. Six men who were sleeping at the other end of the house, which gave way to the sudden pressure of the descending grain, and made their escape without serious difficulty. After giving an alarm they set to work to remove their comrades, who were buried beneath the oats. When the unfortunate men were finally reached four of them were dead from suffocation, and some others so nearly so that it was a matter of doubt for several hours if they would not die from the effects.

MALAGA RAISINS.—The region from which the famous Malaga vine and raisins of phylloxera in the last year or two have, however, reduced the amount of raisin production considerably, and the diseased vines are being replaced by American sorts, which are not affected by the pests, even when planted in the holes from which the affected roots were taken. The firm of Antonio Ruiz & Sons, of Malaga, according to the Northwestern Grocer, adopts the only sensible and remunerative plan that any producer can maintain, in furnishing with a uniform quality of raisins, invariably giving full weight and reserving all in ferior fruit for the wineries. Although extra pains are taken so make the raising 000 boxes each season, about 20,000 of which are sent to this country. With a mind matured and excided by studies of an advanced order, I can easily say that there is hardly a disease in the catalogue of human ills that I cannot treat to a successful issue.

LADIES—I am always ready to assist you. My past knowledge has been increased by extensive experience. I am now able to treat you with the certainty of success. No case peculiar to your delicate organism is beyond my sure control.

My Female Monthly Medicines are superior to any offered heretofore, and will be warranted to have the desired effect in all cases.

Those of the public who need my services can depend upon gentlemanly, honorable and scientific treatment at reasonable rates.

I address particularly those who have been injured by youthful indiscretions, and those who have contracted local diseases.

Persons afflicted can, if they prefer, consult me by letter, detailing the symptoms of the disease or trouble, and receive medicine by express, with full instructions. All letters must be directed to J. B. JOSSELYN, M. D., 226 Sutter street, San Francis co, Cal.

Swift's Specific for over fifty years, and have never known or heard of a failure to cure Blood Poison when properly taken. I used it on my servants from 1850 to 1865, as did also a number of my neighbors, and in every effected a cure. In all my life I have never known a remedy that would so fully accomplish what it is recommended to do.

I have known and ueed Swift's Specific for more than twenty years, and have seen more wonderful results from its use than from any remedy in or out of the Pharmacopia. It is a certain and safe antidote to all sorts of Blood Poison.
